Activities

There is so much to do at Sun Oak... Take a stroll in our attractive courtyard and a walk down memory lane on our walking trail; enjoy restaurant-style dining; relax by the fireplace in one of our comfortable lounges; thumb through magazines in the library; watch television with friends and neighbors in the community room; or, when the mood strikes you, partake in arts & crafts, exercise programs, table games, music, and activities.

Dining

Imagine a place where someone else does all the cooking. Imagine a place where your family and friends are gathered and delicious meals are served in a beautiful dining room; a place where good food and good times go hand-in-hand. Sun Oak is that place. Our dining room is filled with the laughter of our residents and their loved ones, mixed with the wonderful aroma of delicious home-cooked meals. Join us for breakfast, lunch or dinner and enjoy some of your favorite foods. All meals are served and prepared by our caring and dedicated dining services staff in a warm and comfortable atmosphere.

Independence

Your independence and dignity are respectfully preserved and maintained by our caring staff, and we encourage and welcome involvement in your life from your family, neighbors and friends. In fact, your family and friends are invited to be involved in your care-planning and its implementation.

*“People Who Care...
